

MDS32 Replacement UPS Battery Kit

Compatible with
original APC RBC32

All MDS replacement UPS battery kits are assembled using high quality CSB batteries, which are the same as APC use in both new equipment and their replacement battery cartridges (RBC kits)

- ✓ This kit consists of bare batteries only
- ✓ High quality CSB batteries as used by APC themselves
- ✓ Battery recycling service for your old batteries
- ✓ Fast delivery - insured UPS courier delivery
- ✓ Expert sales and technical support

We also supply this kit as a complete assembled cartridge, hot-swappable ready to install - part number MDS32C
